

Minutes of the 1st meeting about R&D cell activities dated 08.07.2022

The chairman of the cell presided over the meeting. The preamble of research and development cell was presented to all the members attended the meeting. Almost all the discussed points were accepted by the members. There was a different opinion regarding professional development, whether some points under professional development will be included or not. It will be resolved later. We will seek the field of research from every faculty member through Google form. The meeting was ended with vote of thanks to the chair. The list of members attended the meeting is attached.
