

COLLEGE OF ENGINEERING AND MANAGEMENT, KOLAGHAT
NO OBJECTION CUM DECLARATION FORM
FOR
FOUNDATION COURSE FOR 10+2 SCIENCE PASS-OUT STUDENTS

_____ (Name of the Student), son/daughter of
_____, residing at
_____, hereby declare and confirm the following:

- 1) I am enrolling in the Foundation Course for 10+2 Passout Science Students of my own free will and interest, without any force, pressure, or undue influence from the college, its management, faculty, or representatives.
- 2) I understand and acknowledge that: this course is not a part of, nor a requirement for, admission to the B.Tech program of this institution or any other institution.
- 3) I understand that the course will revise 10+2 level Mathematics, Physics, and Chemistry fundamentals and introduce various engineering disciplines for career awareness. Hostel accommodation will be provided to the eligible outstation students who have enrolled the course, subject to availability and hostel rules.
- 4) I agree to abide by all college rules, regulations, and code of conduct during my participation in the course, including hostel rules (if applicable).
- 5) I undertake that I shall not raise any legal, financial, or administrative claim against the college regarding admission to the B.Tech course, based on my participation in this foundation course .
- 6) I have read, understood, and agreed to the contents of this declaration in full, and I sign it voluntarily without any misrepresentation, misunderstanding, or coercion.
