Level of Activity: Level 1

Total Participants: 205

Object of the event: To raise awareness among students, faculty, staff, and other stakeholders about the key reforms introduced by the National Education Policy (NEP) 2020 in the Indian education system, including its emphasis on holistic, multidisciplinary, and flexible learning approaches.

Key outcomes of the activity:

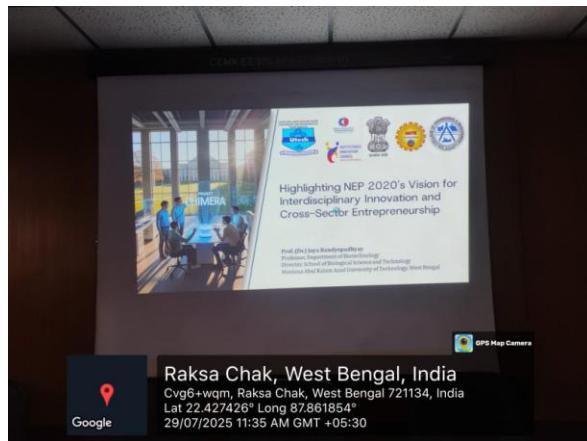

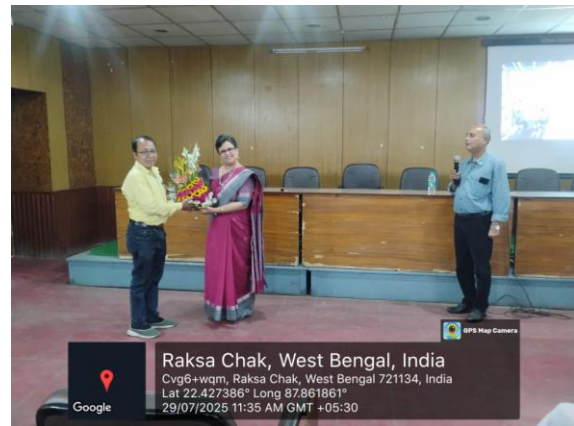

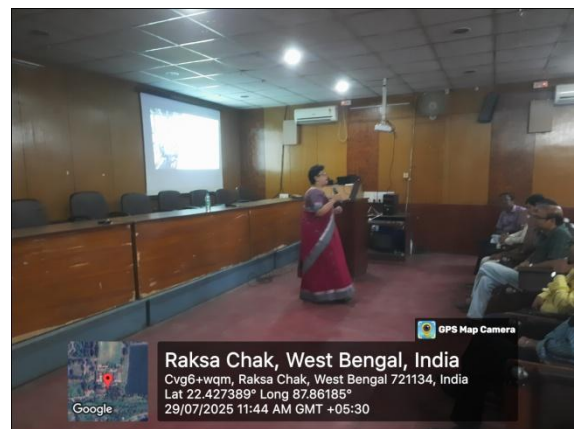

Holistic and Skill-Based Curriculum

- Integration of vocational training, coding, life skills, and critical thinking from early education stages.
- Elimination of rigid subject streams, allowing students to choose subject combinations based on interest.

Flexible Higher Education Pathways

- Students can exit and re-enter degree programs, with academic credits preserved through the Academic Bank of Credits.

Benefit in terms of Learning: By attending this event, students can acquire essential skills and knowledge, aligning with the National Education Policy (NEP) 2020's vision for a technologically integrated and student-centered education system. These activities not only enhance academic performance but also equip students to meet the evolving demands of the modern workforce.
