

College of Engineering & Management, Kolaghat

Brief report on Alumni Reunion held on 1st March, 2025 at our college

First formal Alumni Reunion-2025 was held on 1st March 2025 with pomp and grandeur. This was organized by CEMK Alumni Association. Altogether 155 alumni members across 23 pass-out batches from 2002 to 2024 participated in the event. The reunion was inaugurated by the Director Prof. (Dr.) Dilip Kumar Gayen. In his inaugural speech, he stressed upon the more active participation of Alumni members for the all round development of CEMK. Prof. (Dr.) Debiprasad Chakraborty, the secretary of the CEMK Alumni Association, elaborated about alumni related activities and accounts in the past year for information of all the participants.

The current batch of students performed inaugural song and dance. The participating alumni members discussed in detail with the current batch of students regarding their feedback about the present curricular and extra-curricular activities, their aspirations and what kind of help they need from the alumni members to fulfil their aspirations.

There were also fun events like comedy by **Bong Shots** and musical performances by the current batch of students along with the alumni members.

After long discussions in different levels, the alumni members promised to help the college in terms of regular alumni and current students interactions, to help Training & Placement Cell for enhanced placement and internship support and also to help in the admission process.

The program ended with vote of thanks by Mr. Aban Saha, Vice President, CEMK Alumni Association.
