

# Health Check-Up Camp at College of Engineering & Management, Kolaghat (CEMK)

On February 22, 2025, the College of Engineering & Management, Kolaghat (CEMK) hosted a successful Free Health Check-Up Camp aimed at promoting the health and well-being of students, faculty, and staff. The event, which took place in the TPO's conference room from 9:00 AM to 2:00 PM, provided essential health assessments, including tests for Glucose Fasting (F1), Glucose Post Prandial (PP), Glucose Random (R), Total Cholesterol, Hemoglobin (HB), and Calcium Serum, as well as Body Weight Measurements. Over 150 participants took part in the camp,

receiving personalized consultations and health advice from a team of medical professionals. This initiative underscored the college's unwavering dedication to cultivating a healthy and balanced environment, ensuring participants gained valuable insights into their health and preventive care. The camp was a resounding success, with many expressing interest in similar future events. CEMK remains committed to the overall well-being of its community, reinforcing its emphasis on wellness and ongoing health awareness.
